“OKVIDEOGUY.COM” shall be referred to as “Studio” within this contract.

TIME

Official time begins upon commencement of shooting (bride’s preparations, etc.), or one hour prior to the scheduled ceremony (when we setup our cameras, microphones, etc.), whichever is earliest, and time shall run continuously until departing the event location. If the total job time exceeds the time contracted for, extra charges will apply at \$250 / hr (rate and policy as shown on our website).

CANCELLATION

In the event of a postponement or cancellation of this contract, so long as a minimum of thirty days notice has been given to Studio, the deposits paid may be used for any future event up to one year past the date of this contract, providing Studio has no other obligations for the future date. After that time, all deposits will be forfeited to Studio.

If Client gives less than thirty days notice of cancellation or postponement but more than two days, a \$250 Cancellation Fee will be charged plus trip fees, if any trips have already been made. If notice of cancellation is received after Studio has left for the rehearsal or event, the deposit and payment of first half of total fee will be considered “earned”, but the last half of total (if already paid) will be refunded.

CHANGES

The Client has had opportunity to critically view samples of the Studio’s video work and has retained the Studio as the exclusive official videographer to cover this event. The Client grants Studio full production and editorial control regarding all aspects of this production and postproduction.

Client may request one set of changes, upon receiving his approval copy. If such changes require more than one hour of editing time, such extra time shall be billed at \$99 per hour. Such changes must be requested by email or other written form, by the time specified on the approval video (usually several days).

When requested changes are completed to the best of our ability, final DVD copies will be produced. No additional Approval Copies will be mailed. If no changes are received by that deadline date, it will be assumed that the client is satisfied with the DVD AS IS and NO changes will be made to the final copy. We cannot keep huge video files on our computer longer than ten days from the time we send your Approval Copy, so if changes are requested after the deadline, substantial editing charges will apply.

Studio takes utmost care with respect to the exposure, sound capture, editing, duplication and delivery of the video products and services offered. However, in the event Studio fails to comply with the terms of this contract due to any event or act, the Studio’s liability is limited to the refund of monies paid to Studio.

PRODUCTION MATERIALS

The Studio must receive photos, invitations, music, checklists, and any other materials that client would want used in this production, by wedding day. Production may proceed without such materials if not supplied by this time.

RIGHTS

Client warrants that he/she has the legal rights to anything the Studio will videotape, including photos, music or other materials supplied by the client for use in this video, and consent of all attending guests and participants, and that client's use will be limited to viewing by friends and family.

Studio reserves the right to use the original video tape and/or reproductions for display, promotion, publication or other purposes, otherwise notice and an additional fee of \$500 must be made by client prior to wedding date.

Studio reserves the right to remove themselves and all equipment at any time there appears to be a potential danger to themselves or equipment (belligerent or rowdy, intoxicated people; improper fireworks; careless discharge of firearms; etc.). No refund or other consideration shall be given in such cases. Also, Studio agrees to work only in non-smoking environments.

For outdoor weddings studio utilizes proper equipment to reduce wind noise (fur muffs) and utilizes camera rain covers in the case of a drizzle or light rain. However, Studio reserves the right to immediately remove all equipment to an indoor location in the event of weather that may be hazardous to equipment or persons like lightning, strong wind, hard rain, etc.. No refund or reduction in price shall occur in this event but, hopefully, the event would be moved indoors where video could be continued.

TRAVEL

There is no travel fee within the State of Oklahoma and certain areas near the State border, such as Ft. Smith, DFW, and Wichita Falls, for the purpose of attending rehearsal and the wedding day, if the wedding day immediately follows the rehearsal date. This means that, for most weddings in the State of Oklahoma or in some surrounding areas, there is never a travel fee unless extra trips are requested.

For all other travel, a mileage fee of fifty cents per mile for each trip made by Studio will be prepaid by Client for every mile outside of Eufaula, Oklahoma. Travel for location weddings (outside of our normal coverage area) must be agreed upon and included in a written addendum to this agreement.

TOTAL FEE _____

(You may pay by credit card through PayPal, from our payment page at:
<http://www.OKVIDEOGUY.COM/payment/>)

PAYMENT:

One half of the balance of the video fee (after deposit) must be received no less than 10 days prior to the rehearsal. For instance, for a \$2999 wedding plan, if a \$500 deposit has been paid, half the \$2499 remaining balance (\$1250) must be paid at least 10 days prior to the wedding rehearsal or earliest shooting day (if earlier), else the reservation shall be considered cancelled without further notice. The final balance is due within ten days of receipt of the Approval Copy unless payment terms have been pre-arranged. We cannot keep huge video files on our computer longer than ten days from the time we send your approval copy, so if changes are requested after that time, extra editing charges will apply.

Payment plans, as detailed on our website, may be requested by client within ten days of paying their deposit. Clients under payment plans agree to waive their right to request editing changes and no approval copy shall be sent to them. Any month that passes without a minimum \$100 payment shall be considered a default and shall relieve Studio of all further obligation to client.

Payment plans will not be authorized for clients who do not request these within ten days of paying their deposit and at least thirty days prior to their wedding. Clients not under an authorized payment plan must pay their final balance within ten days of receiving their approval copy or be considered in default and as having relieved Studio of all further obligation. In such cases of default, Client agrees that receipt of the approval copy (with the "Approval Copy" "bug" overlay) completely fulfills Studio's obligation and Studio agrees not to take legal action to collect the balance owed.
